PASTOR'S PEN

Greetings in Christ Jesus!

Today we are beginning the best week in the whole liturgical year. Centuries ago it was called the 'Great Week'. Nowadays we call it 'Holy Week'.

We follow Jesus every step of the way. We start with his triumphant entry into Jerusalem, where he is welcomed, applauded and acclaimed, by a big crowd of followers.

On Thursday we will join him at table and receive the gift of himself in bread and wine. After dining with him we will walk with him along the path that leads from the Upper Room to the Garden of Olives. There we will see him falling to the ground in fear and anxiety about the cruel death that awaits him.

On Friday will find us standing beside his mother at the foot of the cross and feeling compassion for him in both his physical agony and his mental torment. We will be feeling especially some of his sense of being alone and abandoned, betrayed and deserted, not only by friends and followers, but even by God.

On Saturday we will be quiet and silent around his tomb, as we remember the injustice, hostility and cruelty, of all those evil men who murdered him. Then, late on Saturday, we will move from the darkness of our journey to the place of the brightly burning fire.

There we will join the procession of the great Easter Candle, representing the risen Christ, as he lights up the darkness of our church and lives. There and then, the pain and sadness of our journey with Jesus to Calvary, will give way to the hope and joy that comes with our awareness.

Jesus Christ is not dead and gone. No, he is alive, strong and powerful, alive in himself, and alive in us. It is the story of our salvation. But it is more, much more. It is the story of our lives.

And so, we will be hearing in our hearts those assuring words that Juliana of Norwich in her vision of Christ Crucified heard from his own lips: 'All will be well, all will be well, all manner of things will be well.'

Fr.Maschio.

Does anyone know where the big picture of the church model is that used to be downstairs? It disappeared after the last beautification meeting and has not reappeared.

CHILD ABUSE AWARENESS/PREVENTION MONTH

Did you know...Child abuse can occur in every culture and every socio-economic demographic. Peer reviewed research, especially that of the past 30 years, repeatedly shows this to be true. This same research indicates that the vast majority of child abuse occurs at the hands of someone known to the victim. Those who seek to do harm to children will pursue opportunities that provide access to children and may even ingratiate themselves into the home. You can protect children by respecting the safe environment protocols established at youth serving organizations. More importantly, you can implement many of these protocols in your home and be ever observant and vigilant in all public and private settings.
