Blessing of Fields and Field Crosses in Kittson County

We depend upon God for life and every blessing. Father Vasek is going to be traveling around the county, blessing fields and farms in each township. Not being able to travel each mile of the entire county, he will stop at the following locations and say the prayers for the blessing of fields and farms, blessing crosses and distributing them to anyone who is present to bring to a portion of their fields. To maintain accuracy of schedule, the stops will only be about 10 minutes long.
